

MAINTENANCE TECHNICIAN (SKILLED)

We are excited to announce that Edon Management is looking for a Maintenance Technician to join our team in Calgary. If you are looking for professional growth opportunities, enjoy working in a team environment, and have experience in the maintenance and repair of commercial facilities, then you may be the perfect candidate for this role! To find out more about Edon Management, visit www.edonmgmt.com.

Here's what's waiting for you...

As a Maintenance Technician for the Property Asset Management (PAM) division in Calgary, you will be involved with the maintenance, repair, and improvement of commercial facilities that address building and client needs.

Competitive Compensation Package includes:

Full-time, weekday hours
Competitive Salary

Family Dental & Health Benefits
Employee RRSP Program

Cell Phone Allowance Program
Mileage Reimbursement

Here's how you'll make a difference...

Major Responsibilities

- Collaborate with building operations team to achieve service objectives
- Conduct regular building surveillance tours and repair mechanical systems to ensure they are consistent with code requirements and health and safety standards
- Perform general maintenance tasks including painting, drywall repairs, door repairs, minor plumbing, counter top replacements, window installation and minor moves
- Complete preventive maintenance tasks including filter changes and equipment checks
- Perform minor maintenance of electrical systems (e.g. replace light bulbs); assist with the maintenance of heating and plumbing systems to ensure functionality; escalate deficiencies in ventilation, refrigeration, and other systems; and conduct repairs when necessary (responsibilities dependent on education and experience)
- Assist with landscaping duties and undertake activities of pest control (e.g. spraying insecticide)
- Respond immediately to service requests and emergencies
- Portray a favourable image of the organization as the front-line contact with clients/tenants and subcontractors

Experience & Qualifications

- Minimum 2+ years of experience in commercial building maintenance
- Completed Grade 12 education
- Journeyman certificate or Skilled Trades training/apprenticeship considered an asset (Electrician, Refrigeration Technician, etc.)
- Physically fit, able to stand, crouch, kneel for long periods of time and lift in excess of 30 pounds
- Strong customer care and communication skills
- Owns basic hand tools and able to use basic power tools and complete basic building maintenance
- Owns a personal vehicle and has a valid Driver's License and clean Driver's Abstract
